**Subject:** Changes to LRB-1301/2

Hi again,

I have some changes to the bobcat permit fee draft. DNR is concerned with creating a new appropriation for this revenue, as they state that all other revenues for permit applications are deposited into the fish and wildlife account of the conservation fund. Instead of creating a new appropriation, I would increase the appropriate existing appropriation in the Ch. 20 schedule to account for the new revenues.

Also, DNR would like a delayed effective date of March 31, 2010 for the bobcat fee. I am not requesting a delayed effective date for the boat registration fee increases.

Please let me know if you have any questions.  
Thanks,  
leah
